[If needed, an explanation for the counts can be provided here. —SS]

2 Supervisor/Stakeholder Meeting Attendance

[For each team member how many supervisor/stakeholder team meetings have they attended over the time period of interest. This number should be deter-

3 Lecture Attendance

[For each team member how many lectures have they attended over the time period of interest. This number should be determined from the lecture issues in the team’s repo. You can find the number of lectures in the time period of interest by looking at the Google calendar for the capstone course. —SS]
